RE: AMMENDMENT TO THE CHARGES LEVIED ON SENIOR MEMBERS

ARTICLE 17 of the Memorandum and Articles of Association of the Company clearly define who a Senior Member of Thika sports Club shall be and what privileges they shall enjoy in this category.

Presently there is a fee charged to all members which is neither a subscription nor a levy. This is the Sports Fund. This charge was adopted during a previous AGM to ensure various sporting activities are supported and patronized. While this may have been well conceived, it has had the result of alienating senior members who – by virtual of age and health – can no longer patronize the Club and its facilities as they did in the past. This has meant that they are charged a monthly sports fee on their account which they can neither utilize or redeem.

I wish to propose the following:

1. All senior member aged 75 years and older be exempted from payment of the monthly Sports Fund with immediate effect.
2. That the Board of Director constitute a special committee to review matters related to Senior members with the goal of ensuring that these members are not “abandoned” in their twilight years.

It is important to note that Senior Members are a vital part of the history and heritage of the Club. Many of them have sacrificed tremendously to the development of the Club. A good number served as Captains and Chairmen in a time of open hostility by colonial-era members, limited and constrain membership and financial resources, threat and intimidation from the political class, etc. We owe them a huge debt of gratitude for their sacrifice. They not only deserve to enjoy the Club in old age, but they should be protected and cared for as much as possible.

Special mention here to Mr & Mrs JDH Meru, Mr & Mrs Bill Kariuki, Mr & Mrs SG Njuguna, Mr & Mrs Lawson Gachire, Mr & Mrs SGK Njunu amongst many others.

I HEREBY MOVE THE MOTION FOR CONSIDERATION AND ADOPTION BY THE GENERAL MEMBERSHIP.
